

**Individual information (CV) February 2016**

Name and academic title	<b>Dr. Yves Barlette</b>
Professor of	Information Systems
Grade held in the institution	Associate Professor
Field of expertise	Information Systems, Information Security, Strategic I.S.
Teaching department	Innovation, Quality and Information Systems Management
Mission held in the institution	
eMail, tel., fax	Email: y.barlette@montpellier-bs.com Phone: +33 (0)467102526 / Fax: +33 (0)467451356
<b>1. Education &amp; diploma</b>	
Year & Diploma	<b>2006:</b> PhD Information Systems (University of Montpellier) <b>1989:</b> Master "Sales in IT" (IAE - University of Montpellier/Montpellier Business School)
Bio	<b>Dr. Yves Barlette</b> , Associate Professor in Information Systems joined Montpellier Business School in 1989. In 2006, he completed a PhD in Management Information Systems (University of Montpellier). Being an active member of the MBS-MRM research center, his research interests focus on actors' behavior (information security, strategic alignment). He published nine articles in peer-reviewed journals and several book chapters. He has been serving as a reviewer for Information & Management Journal from June 2009 to April 2012. He has been member of the editorial board of the French peer-reviewed MTO journal (Management des Technologies Organisationnelles) since 2013, and organization team member of the annual MTO conference since 2010. He also regularly serves as a reviewer for the Association Information & Management (AIM) conference and Systèmes d'Information et Management (SIM) journal. Main courses taught in the past five years are Information Systems, Strategic Information Management and Information Security (L3 - M2 levels).
<b>2. Professional experience</b>	
Date & position held	<b>1992 to 1996:</b> Consulting in the IT sector on a one-day per week basis. <b>1988 to 1996:</b> IT analyst and software developer (one-day per week basis).
<b>3. IC: discipline based scholarship</b>	
<b>3.1 Publications</b>	
Journal Articles (Peer Reviewed)	Barlette Y., Gundolf K. & Jaouen A. 2015.
